Living and Working with *Bipolar Disorder*: Overcoming the Obstacles of Daily Living *FOR WOMEN*

The Program:

Overcoming the Obstacles of Daily Living is an 12-week support group designed to help women develop and refine the tools necessary to live with bipolar disorder.

Availability is limited. There is a 10% discount for those group members who pay for all 12 groups up front.

An intake phone interview is required before the first group session.
