Carter Joins Trillium Springs Counseling Center

ATLANTA, Georgia (Jul. 10, 2008) – Chip Carter, N.A., LPC, has joined Trillium Springs Counseling Center.

Carter is a Licensed Professional Counselor with the State of Georgia. He received a Bachelor of Arts in Mass Communications from Western Kentucky University and spent 7+ years in the marketing and advertising world. Tired of the long hours and corporate stress, Carter pursued education and training in Christian counseling and graduated from Richmond Graduate University (then known as the Psychological Studies Institute) in May, 2004 with a Masters in Professional Counseling with a specialization in Spiritual Direction.

"I have known Chip Carter for many years and we are delighted to have him join us at Trillium Springs Counseling Center," said center founder and director, Vilda S. Brannen, M.A., NCC, LPC.

Alongside working at Trillium Springs Counseling, Carter serves as the Director of Outpatient Services for Murphy Harpst Community Services, a division of Murphy Harpst Children's Centers. There, he provides individual and family therapy to adolescents and adults as well as overseeing the day-to-day operations of the center.

Carter has also provided counseling services for Mount Paran North Church of God, Morningstar Family Resource Center, PSI Hope Counseling Center and The Anxiety & Stress Management Institute. He enjoys working with adolescents and adults dealing with the following issues: ADD/ADHD, anger management, anxiety & stress management, depression, marital therapy, pre-engagement counseling and spiritual direction.

Carter and his wife Amanda are active members of Vintage 242 Church and live in Kennesaw. He does not accept private insurance as payment, but can provide you a Super Bill to submit to your insurance company and sliding scale spots are available as well.
