### **Speer Joins Trillium Springs Counseling Center**

ATLANTA, Georgia (May 15, 2010) – Victoria Kleinz Speer, M.A., NCC, LAPC, has joined Trillium Springs Counseling Center.

“We are happy to announce that Vicky Speer has joined our therapeutic team as a counselor. Vicky’s specialty helping individuals and couples cope with the physical and emotional strain of family planning issues such as infertility and adoption will be of significant benefit to our clients,” said Trillium Springs Counseling founder and director Vilda S. Brannen, M.A., NCC, LPC.

Vicky, a Licensed Associate Professional Counselor, received her Master of Arts degree from the Georgia School of Professional Psychology at Argosy University. Vicky also holds a Bachelor of Business Administration with a concentration in Marketing from Georgia State University.

Vicky’s professional experience includes counseling services to individuals, couples and birthparents experiencing infertility, adoption or making an adoption plan at Bethany Christian Services and has experience providing individual and family therapy with children and adolescents at Family Intervention Specialists.

Vicky’s approach to therapy is to provide a safe, unconditional space to gain insight and make positive life transformations. Vicky applies an integrated approach of cognitive- behavioral and solution-focused models of therapy to illicit one’s strengths toward change. In addition, Vicky utilizes relaxation and stress management techniques along with referrals to alternative therapies such as acupuncture and yoga.

Vicky is a Licensed Associate Professional Counselor (#APC002587) and a National Certified Counselor (#258900).

To schedule an appointment or to learn more about her practice, please contact Vicky at 404.422.0065, or email at [vicky@trilliumsprings.com](mailto:vicky@trilliumsprings.com).
